

Geoff grew up lighting in his teenage years with theatre then on to the film industry, finishing Vancouver Film School in 1995. Working in the lighting rental houses the next day and Gaffing music videos on the weekends for the next 5 years. In 2000 started Gaffing commercials full time working with for the next 10 years with cinematography masters like Newton Thomas Sigel, Bojan Bazelli, Salvatore Totino and the late Harris Savides to name a few. In 2010 Geoff started DPing full time working primary in the Commercial end of the business, but has tried his hand with TV series like Mayday, finished half a dozen Documentaries and just as many Short Films. He loves every aspect of this amazing industry, all the people in it and the wonderful places it takes you.
